

Malt Whisky Yearbook 2009

Comments on the new edition

Since the first Yearbook appeared in 2006 we have almost exhausted our store of superlatives. Suffice to say, therefore, that if you buy no other whisky book this year buy The Malt Whisky Yearbook. Superb as always.

The latest edition of this great, great book. Ingvar Ronde's Malt Whisky Yearbook is utterly essential reading for devoted drammers.

Sukhinder Singh - The Whisky Exchange

If I would have a 'Bang For Your Buck List' for books on this website the Malt Whisky Yearbook would probably be on top.

Johannes van den Heuvel - Maltmadness.com

No other book but the Malt Whisky Yearbook travels with me everywhere my malt mission takes me, and there is good reason for that.

Sam Simmons - Dr. Whisky

Malt Whisky Yearbook 2009 - once again a must-have for everyone!

Clemens Dillmann - Whisky Flash

The Yearbook is here for the fourth time and as indispensable as ever before.
